LA COMMARAINÉ

Clos de la Commaraine Premier Cru 2021 Pommard - 18

Monopole. Cask sample.

Pale crimson. Very rich and massaged and really one of the most hedonistic wines of the vintage. and it's pretty complete and very long. Rewarding!

Domaine de la Commaraine, Roncière Premier Cru 2021 Nuits-St-Georges - 17.5

Cask sample. Perfumed and seductive. Really lively and full of (organic?) life. Exciting and showing full mastery of the vintage and raw materials.

Domaine de la Commaraine, Aux Busselots Premier Cru 2021 Nuits-St-Georges - 16.5 +

Cask sample. Pretty deep crimson. Much richer than many 2021s – quite distinctive. Is it typically 2021, though? Still very youthful so I reserve judgement.

Domaine de la Commaraine, Les Condemennes 2021 Chambolle-Musigny - 16.5 +

Cask sample. Fresh and vibrant and transparent. Real zip and energy to this. But then the price has real zip and energy to it.
